

Vent extension OPTI-RA

The fan extension may be required when your building has parapets or when higher buildings are near your home. At this point you have to adjust the height and performance to the standard level.

Advantages

Extension of different sizes are available to standardize vent heights

Colours

Standard colours available: brown, grey, black and charcoal. Other colours available on special order (additional fee).

Norms

Characteristics

The vent is manufactured from galvanized steel followed by a specialized baked paint finish.

Warranty

The consumer must ensure that this product is appropriate for the intended use. Since the installer's skills and surface conditions are independent of the manufacturer's control, we limit our liability to the replacement of defective equipment only if proof of purchase can be provided. Free on board (FOB factory).
